

WAVERLY PARK HOMEOWNERS ASSOCIATION BOARD OF DIRECTORS MEETING

Meeting held at William Walters 2/15/2012, 7:00pm

Attended Residents:

President: Don Burchard
Vice President: Grant Spitzer
Treasurer: Nancy Horne
Committees: William Walters
Secretary: Cindy Thomas

1. Preparations are being made for the pool opening on Mothers Day weekend.
2. Mulch has been added to the play area and the borders have been painted. Round table also has been added with an umbrella, with the high winds that came through after this addition, the umbrella was damaged. Mr. Horne will try and repair it. Fitness stations for the walking trail that were discussed in the previous Meeting are very expensive, we are looking at other options. Don Burchard will order a Heavy-duty swing set that will be added by spring. Mr. Burchard will also follow up with someone re: grading the ground on the property the pool and walking trails are located to help with drainage. Pre-emergent will be applied as well for control of weeds around the pool area.
3. Nancy Horne will have a new "Notice" sign made for the entrance of the pool by by spring.
4. Grant Spitzer is price checking solar lights for the pool area.
5. Nick Lopitz continues to work on the addition of stop signs for Habersham place and Ashley trail.

Meeting concluded @ 8:05

The next HOA meeting will be 03/08/2012, 7pm @ 828 Oxford Dr.
Unless otherwise stated.

All homeowners are encouraged to attend these meetings. Advise/suggestions are welcome. I personally want to thank everyone involved in taking time out of their busy schedule to insure Waverly Park is a clean and safe environment for our children.

C. Thomas, Secretary
