- 13 U.S. Representative seats
- 1 Public Service Commission seat
- Judicial offices
- State Senators (all seats)
- State Representatives (all seats)

- All local two-year officials.

Voter registration deadlines and election dates are shown in the table on page 4.

Georgia citizens have access to several convenient methods of registering to vote:

- Contact Cherokee County Voter Registrar at 770-479-0407.
- E-mail a request for a voter registration form to the Georgia Secretary of State at sosweb@sos.state.ga.us.
- Motor Voter registration is offered when you renew or apply for your driver's license at Department of Motor Vehicle Safety drivers license posts.

- College students can obtain Georgia voter registration forms, or the necessary forms to register in any state from their school registrar's office or Academic Affairs office .

Waverly Park residents vote at Holly Springs Elementary School on Hickory Road.

Commission Meetings Available Online

Cherokee County Board of Commissioners meetings are now broadcast over the Internet on the county website at

www.cherokeega.com.

Click on "BOC TV" in the lower right screen corner.

The first broadcast was November 18.

Both live and recorded meetings are available to those with

high-speed Internet connections. Dial-up connections apparently do not work. All broadcasts require the free Apple Quicktime viewer to play the files.

In the past, Commissioners meetings were broadcast live on Adelphia Cable and later only on a taped basis.

Adelphia dropped the meetings altogether earlier this year.

Architectural Committee Update

If you plan to add a structure including a fence, change the exterior of your home or lot, or the use of your lot, you must

submit plans to the Architectural Committee (AC) for approval.

Plans must include dimensions of the project, its location on the lot and materials and colors to be used. A letter explaining your plans is needed.

See the Architectural Guide available on the website for more information.

The covenants give the AC up

to 60 days to review plans; however, reviews are currently taking about two weeks from the time the AC receives useable plans. Decisions require a majority vote of the AC. Please give your plans to Hamp at 613 Ashley Trail.

In addition to AC approval, projects should comply with any applicable county ordinances and zoning regulations and may require county permits.

gardening projects and workshops."

Sunshine Committee

—By Heather Vence

The sunshine committee could use the neighborhood's help. We aren't always

aware of

- births
- new neighbors
- deaths
- graduations
- Hospitalizations

Please contact one of the committee members via e-mail or phone to help us spread sunshine around the neighborhood.

We also want to include the information in the newsletters so everyone can share in the excitement of new babies or celebrate a graduation with you.

Thank you for helping us out!

Welcome New Residents!

County Noise Ordinance Clarified

The Cherokee County Board of Commissioners approved a revision of the county's anti-noise ordinance at their November 18 meeting.

The times in the ordinance were clarified by adding "a.m." and "midnight" after each reference to 12.

Apparently, some people were confused as to which 12 o'clock was being referred to in the ordinance --- the one in the middle of the day or the one in the middle of the night.

**Section 26-39(a)
Revised Prohibited Noise Ordinance**

"It shall be unlawful for any person to willfully make, continue or cause to be made or continued excessive, unnecessary or unusually loud noise which disturbs the peace or quiet of any neighborhood, or which causes discomfort or annoyance to any reasonable person of normal sensitiveness residing within the limits of the County, between the hours of 12:00 a.m. (midnight) and 7:00 a.m. daily, and between the hours of 12:00 a.m. (midnight) Saturday night and 1:00 p.m. Sunday. Also, all such noises described in this section shall be unlawful after 6:30 p.m. Sunday until 7:00 a.m. Monday."
