Pool Closed For Season

The last swim day at the WP pool was Sunday, September 30.

The pool will be put into winter storage and the rest rooms winterized soon.

Pool telephone service will also be discontinued.

The pool gate is now pad-

locked. If you need access, please contact Steve Dillon, Pool Committee chair.

Look for the pool to reopen in May of 2008.

Resurfacing of the pool interior is planned prior to next season's opening

Drought Impacts Outdoor Burning Safety

—From GA Forestry Commission

As summer turns to fall, many Georgia residents will add outdoor burning to their to-do lists. But with the

state still gripped by a severe drought, the Georgia Forestry Commission (GFC) is sounding the alarm for "safety first."

"The annual air pollution burn ban that covers much of north Georgia will be lifted on October first," said Alan Dozier, Chief of Forest Protection for the Georgia Forestry Commission.

"That's when we normally see an increase in outdoor burning. Anyone who chooses to burn this year will have to pay very close attention to the dry conditions, and, as always, get a

permit."

Dozier said residents choosing to burn outdoors must first call 1-877-OK-2-BURN.

With one call, homeowners can automatically find out if conditions are appropriate for burning fires measuring less than 6' x 6' in their area.

The caller's zip code, telephone number and the call's date and time stamp serve as a burn permit for both the caller and the GFC. In some instances, specific conditions will prohibit burn permits from being issued.

Georgia experienced a severe wildfire season this year, fueled by the lingering drought. Parts of Georgia

remain as much as 25 inches below normal in precipitation, and without increased tropical storm activity, dry conditions are expected to continue.

"Northwest Georgia and southwest Georgia are extremely dry," said Dozier.

"Wildfire potential increases when the winds kick up and bring down fall leaves. With everyone's vigilance, Georgians can reduce the risk of fire and enjoy a beautiful autumn season."

For more information on burn permits and forestry in Georgia, visit www.gatrees.org.

Outdoor Water Use Restricted

Cherokee County Water Authority has announced that, effective September 28, most outdoor watering is prohibited in keeping with the state's Environmental Protection Division requirement.

Exemptions include personal vegetable gardens, commercial car washes and golf courses.

Tangen Transferring

Hello everyone:

We regret to inform you that Sandy and I are moving to South Carolina.

I have taken a promotion with Ford Motor Company with a dealership in Summerville, South Carolina. My new job title is "Quality Control Supervisor "

with largest Ford dealership in South Carolina, second in the Southeast region and fourth in the United States.

We wish to thank most of our neighbors , especially William and Dorie Hood. If we could take them with us we would. I would also like to thank

the board and its members for allowing me the privilege of working with them.

We will miss all of you and wish you the best of everything in the future.

Ron and Sandy

Pet Reminders

- Our covenants require that we keep all our pets on leashes when they are off the owner's lot.
- Please pickup after your pet. With the exception of the wooded areas on the Common Area, there are no "free poop" zones in WP. Owners should pick up or relocate poop

from the walking trail and mowed grassy areas of the Common Area. All grassy areas throughout WP are actually part of someone's lot or the right of way maintained by the homeowners.

WP Directory Updates

Sunshine Committee

Sunshine, something we all like to see and feel. It brightens our day and warms our spirits. Just as natural sunshine does this in our lives, your Sunshine Committee wants to function in the same way.

We have a group of ladies this year and we're ready to spread a little sunshine through out our neighborhood.

We want to welcome the new neighbors and new babies, give out congratulations on exciting events and help out in time of sorrow, surgery or illness.

We need your help though as we might not know what is going on with your neighbors or with you.

As you know of situations that we can touch as a friendly neighborhood committee please let us know.

Thank you for helping us spread sunshine in Waverly Park.

Tiffany Rowson,	770-720-9595
Jean Harrell	770-479-0077
Faith Hoover	770-479-6378
Nancy Horne	770-345-4090

Architectural Committee Update

If you plan to add a structure including a fence, change the exterior of your home or lot, or the use of your lot, you must submit plans to the Architectural Committee (AC) for approval.

See the **Architectural Guide**, available on the WP website documents page, for more details.

Please give your plans to Hamp at 613 Ashley Trail or email them to the address in the box.
