## Pool Work Day And Opening Saturday

The WP pool work day is set for 8:00 a.m., this Saturday, May 3.

Residents are encouraged to show up ready to pull weeds, wash chairs and do anything needed to get the pool and Common Area ready for the 2008 swim season.

The pool passed the pre-opening inspection by the Cherokee County Health Department on April 25, so after the cleanup is completed on May 3, the pool will be open for swimming.

Contact Pool Committee Chair Steve Dillon at 770-720-3990 if you have questions or need a pool key.

## WPHA Members Elect New Directors

New Directors were elected at the April 17 annual members meeting. The new directors then elected officers. See **Board of Directors** on page 2.

Two By-Laws amendments were also approved.

One amendment allows for single signatures on checks to the electric,

phone, water and pool maintenance providers. Two signatures are still required for other payments and reimbursements to individuals.

The second approved amendment sets the maximum number of directors at five. The minimum number is three.

The By-Laws, as amended, are available on the Documents page of the WPHA website.

WP homeowners are apparently overwhelmingly satisfied with the administration of the homeowners association. Only 11 homeowners were represented at the meeting. A meeting quorum is nine homeowners.

### Overdue Assessments

Eight homeowners have not yet paid their 2008 Annual Assessment due on February 28, 2008.

Property liens should be filed this week.

Interest and all collection costs, including filing/releasing liens, become part of the debt to WPHA.

Liens are public records available online at

## Neighborhood Watch Meeting

There will be a Neighborhood Watch kick off meeting Sunday, May 11th @ 5:00 p.m. at the pool.

This is an informal meeting to discuss the details of putting a neighborhood watch

together and how it works.

Anyone interested in keeping our neighborhood safe is encouraged to attend.

Thanks,

## Sunshine Committee

Sunshine is something we all like to see and feel. It brightens our day and warms our spirits. Just as natural sunshine does this in our lives, your Sunshine Committee wants to function in the same way.

We want to welcome the new neighbors and new babies, give out congratulations on exciting events and help out in time of sorrow, surgery or illness.

We need your help though as we might not know what is going on with your neighbors or with you.

If you know of situations that we can touch as a friendly neighborhood committee, please let us know.
