No more daylight until after 9 p.m. Gonna miss some of those things but boy has the fall weather been wonderful already. It's so nice not to hear the electric meter spinning because of running the AC. This is my favorite time of the year with cooler weather and the beautiful autumn colors.

Pool and Entrance Sign

I guess no one was ever able to find new chairs for the pool this season. Keep your eyes open and just give the board a call if you find good ones at a reasonable price for next pool season. It seems like a long time away but please mark the first Saturday in May down as the probable date of the pool cleanup for 2009. The more help the better. Don't just assume that somebody will go do it ...please be the somebody that comes to help.

There are several items that we could use help with at the pool:

- Dead bolt installed
- Protective ventilated box built and installed for the camera system
- Bushes trimmed
- Mulch in flower beds
- Bushes along trail trimmed
- Trail smoothing
- New Poles installed for Pool roof

The front flower bed at the entrance sign is also an on going volunteer project. (Right now the new plants need to be watered often.)

If you can help out with any of these items please give me a call. Cost of supplies will be reimbursed just save your receipts.

Vice President

We still need someone to fill in the slot of our association's vice president. Meetings are only once a month for 1 hour. Please let us know if you could serve.

Proposed Property Maintenance Ordinance Hearing October 7

A public hearing on a proposed Property Maintenance Ordinance (PMO) will be held at the Cherokee County Board of Commissioners meeting at 7:00 p.m., October 7 in the Jury Assembly Room at the Cherokee Justice Center.

In addition to setting various property maintenance standards, residential parking restrictions for RVs, boats, trailers and ATVs are included.

The PMO "will constitute the minimum requirements and standards."

The ordinance and potential changes are available on the county government website at:

Sunshine Committee

Sunshine is something we all like to see and feel. It brightens our day and warms our spirits. Just as natural sunshine does this in our lives, your Sunshine Committee wants to function in the same way.

We want to welcome the new neighbors and new babies, give out congratulations on exciting events and help out in time of sorrow, surgery or illness.

We need your help though as we might not know what is going on with your neighbors or with you.

If you know of situations that we can

touch as a friendly neighborhood committee, please let us know.

Neighborhood Watch

Our neighborhood watch had an instructional meeting with the sheriff's department last week. The basic thing they taught was if you see anything suspicious or have anything

annoying going on near you call 911 and report it. This will allow them to help keep us safe and nip problems in the bud.

Garage Sale

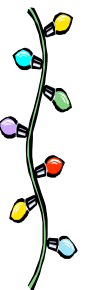

Saturday, October 4 is our neighborhood garage sale. One man's junk is another man's treasure. We have about 10 houses participating. Hope the short notice didn't leave anyone out. Regretfully this was due to sev-

eral homes being sold and the owners leaving soon.. Know that we will miss you and wish you blessings in your new homes.

Looking forward...

We will be having our Christmas lights contest again this year. More details next month.
