About <b>Waverly Park Press</b>	2

—Nancy Horne  
WPHA President

"April showers bring May flowers" is certainly true this year. The azaleas, the dogwoods and all the other flowering plants have been gorgeous.

**Annual Meeting:** Our annual meeting brought about 15 homes out this year. A new board was elected with Jamie Pearson and Don Burchard joining Amanda Scott, John Kreeger and myself. Cyndi Hendrix had to step down this year and we send her a big Thank You for all her input on the last board.

**Pool Cleanup and Use:** Our pool clean up had a very small showing but the work all got done. A big Thank You goes to David Sholder, Jamie Pearson, William and Robin Walters, Don

Buchard, Stephen, Elizabeth and Timothy Horne and Steve Dillon. We are looking for a mid-May opening. We do have someone who mows the lawn and someone who cleans the bathrooms but the rest is up to all of us who use the pool. Please do your part to help keep it looking good. Get to know the people at the pool with you so that unauthorized users will not be there. Report anything suspicious to the board or the neighborhood watch group. We each "own" a part of the pool, common area and trail and need to help take care of it.

**Board Plans:** The board has some good plans for this year. We hope to find some new lounge chairs, revamp the playground, and

do some landscaping around the pool and at the entrance. We also hope to have a pool party/barbecue, a neighborhood garage sale and another light contest. If you are willing to help with any of these items please let a board member know.

**Sunshine Committee:** Sara Burchard has volunteered to take over as the chairman of the Sunshine Committee. We send thanks to Jen Wagner for all she did this past year. Please remember to let Sara know about births, deaths, graduations and special needs. If you would like to help Sara please give her a call.

I'm looking forward to another year in a great neighborhood and hope you are also.

## Sunshine Committee

Sunshine is something we all like to see and feel. It brightens our day and warms our spirits. Just as natural sunshine does this in our lives, your Sunshine Committee wants to function in the same way.

We want to welcome the new neighbors and new babies, give out congratulations on exciting events and help out in time of sorrow, surgery or illness.

We need your help though as we might not know what is going on with your neighbors or with you.

If you know of situations that we can touch as a friendly neighborhood committee, please let us know.

## Countywide Burn Ban Begins May 1

--Cherokee County Emergency Services  
Press Release 5/1/09

"May 1st begins this year's ozone season, and with that comes a ban on open burning for residents of Cherokee County until September 30th, 2009.

Cherokee County is one of several counties in metro Atlanta affected by this ban. Types of open burning that are restricted in Cherokee County include:

- Burning of leaves, tree limbs or other yard waste
- Burning of forest land by property owners
- Burning of vegetative waste from land clearing (includes a ban on the use of air curtain destructors).

Fires for carrying out recognized agricultural practices, recreations purposes, cooking food or for training fire-fighting personnel are still allowed, provided there are no local ordinances

which prohibit them.

Cherokee County residents needing burn permits for agricultural purposes need to contact Georgia Forestry by calling their on-line 1-877-OK2-BURN. The phone system informs callers by county whether or not they can burn.

Residents may also call their county GFC office for more information or visit GaTrees.org."
