## Sunshine Committee

Sunshine is something we all like to see and feel. It brightens our day and warms our spirits. Just as natural sunshine does this in our lives, your Sunshine Committee wants to function in the same way.

We want to welcome the new neighbors and new babies, give out congratulations on exciting events and help out in time of sorrow, surgery or illness.

We need your help though as we might not know what is going on with your neighbors or with you.

If you know of situations that we can touch as a friendly neighborhood committee, please let us know.

## Architectural Committee Update

If you plan to add or remove a structure including a fence, change the exterior of your home or lot, or the use of your lot, you must submit plans to the Architectural Committee (AC) for approval.

See the **Architectural Guide**, available on the WP website documents page, for more details.

Please give your plans to Hamp at 613 Ashley Trail or email them to the address in the box.

*The AC is now sending project approval letters and other actions via email to homeowners who have an email address on file with WPP. The letters require the free Adobe Reader to open.*
