Party Over? Turn Out The Lights

— by Steve Dillon
Pool Committee

Please remember to turn off all lights if you are the last one to leave the pool area. (including the light in the pool).

The lights have been

left on all night a couple

of times.

Not only does this waste power but it also attracts bugs into the pool.

Thanks.

New Outdoor Watering Rules

Governor Perdue signed the Water Stewardship Act of 2010, on June 2.

The new law will bring changes to outdoor watering restrictions.

Neither the state Environmental Protection Division or the Cherokee County Water & Sewage Authority has yet updated their web-

sites to reflect the changes.

The Georgia Green Industry Association does offer their assessment of the new rules at:

Sunshine Committee

Sunshine is something we all like to see and feel. It brightens our day and warms our spirits. Just as natural sunshine does this in our lives, your Sunshine Committee wants to function in the same way.

We want to welcome the new neighbors and new babies, give out congratulations on exciting events and help out in time of sorrow, surgery or illness.

We need your help though as we might

not know what is going on with your neighbors or with you.

If you know of situations that we can touch as a friendly neighborhood committee, please let us know.

Architectural Committee Update

If you plan to add or remove a structure including a fence, change the exterior of your home or lot, or the use of your lot, you must submit plans to the Architectural Committee (AC) for approval.

See the **Architectural Guide**, available on the WP website documents page, for more details.

Please give your plans to Hamp at 613 Ashley Trail or email them to the address in the box.

The AC is now sending project approval letters and other actions via email to homeowners who have an email address on file with WPP. The letters require the free Adobe Reader to open.

Recent Actions:

- 700 Habersham Place: Warning, yard refuse.
