Neighborhood Watch Update

—By Christina Reese
Neighborhood Watch
Area Coordinator

Thank you to all the residents who attended the Neighborhood Watch meeting last month. Officer Lawrence with the Cherokee County Sheriffs office gave a very informative presentation on the AWARE program for animal control in Cherokee County.

Here is an updated contact list for the Neighborhood Watch. Please feel free to contact the Area Coordinator or the assigned Block Captains for your street if you need to report any suspi-

cious activity. Please don't forget to call 911 first to report suspicious activity so they will have the incident on file and can investigate.

We still need Block Captains for Ashley Trail so if anyone is interested please contact Christina Reese. Thank you to the families below who have offered to help as new block captains.

Sunshine Committee

Sunshine is something we all like to see and feel. It brightens our day and warms our spirits. Just as natural sunshine does this in our lives, your Sunshine Committee wants to function in the same way.

We want to welcome the new neighbors and new babies, give out congratulations on exciting events and help out in time of sorrow, surgery or illness.

We need your help though as we might

not know what is going on with your neighbors or with you.

If you know of situations that we can touch as a friendly neighborhood committee, please let us know.

Architectural Committee Update

If you plan to add or remove a structure including a fence, change the exterior of your home or lot, or the use of your lot, you must submit plans to the Architectural Committee (AC) for approval.

See the **Architectural Guide**, available on the WP website documents page, for more details.

Please give your plans to Hamp at 613 Ashley Trail or email them to the address in the box.

The AC is now sending project approval letters and other actions via email to homeowners who have an email address on file with WPP. The letters require the free Adobe Reader to open.

Is Speeding Worth The Risk?

The distance from the **Waverly Park** entrance sign to the north end of Oxford Drive is only .7 mile. That's the most anyone must travel in or out of WP.

The table shows how little time you might save by exceeding the 25 MPH speed limit.

Compare that to speeding and:

- Hitting an old guy on a bike or a kid chasing a ball
- Getting a ticket
- Going to court and jail
- Being sued
- Getting a big insurance rate increase

Speeding is just not worth the risk.

Time to go .7 Mile @ Speed	
Speed (MPH)	Time (Min - Sec)
20	2-06
25	1-40
35	1-12
45	0-55
